

## CLINIC REPORT FOR 4TH AND 5TH OF JUNE 2011

The first Equido Clinic has been an overwhelming success, so much so that demand for a second has prompted another clinic in August. Everyone who took part had a great time with quite a few people coming to watch and having a great time. Workshops varied from groundwork skills to ridden work with students from a variety of different equestrian disciplines taking part.

Magic has his first ever jump

### Participant Feedback:-

Linda: "Very enjoyable to spectate, a great day out"

Caroline: "Staff and Instructors were exceptionally helpful, it was a fantastic weekend. It has given Tia and me more than I ever expected THANK YOU ALL"

Elaine: "Thanks for a great weekend, I look forwards to the next and hopefully Harry will be completely settled by then!!"

Melonie: "Staff were very helpful and fantastic at making you feel at ease, welcome and wanting you to gain the most from the course. I liked that everyone was told that there would be time for questions at the end of every session, thought this was fantastic! I loved how informative, how much fun and how well I feel I got on with Ticket. Can't wait to come back and practise with the light bulb on!!!"

Sarah: "Thanks to all the instructors especially to Ailsa and Ross who went beyond the call of duty!"
